

At Westfield we offer a wide variety of exciting and meaningful Extra-Curricular activities. These are designed to give the girls a broad spectrum of additional skills that also support the Round Square Discoveries such as inquisitiveness, communication skills, responsibility and the ability to solve problems to name a few. We also offer additional support sessions for GCSE and A-level students to further enhance their learning.

We encourage girls in KS3 to attend **at least 2 extra-curricular sessions per week**. They have the opportunity to re-evaluate their choices each term and try something new.

Additional Opportunities:

- Robotics Club *TBC*
- School Production – Auditions after school *TBC*
