

System of controls (updated 17 August 2021)

Control Measures

- 1) Ensure everyone is advised to clean their hands thoroughly and often.
- 2) Ensure good respiratory hygiene for everyone by promoting the 'catch it, bin it, kill it' approach.
- 3) Maintain an appropriate cleaning regime, including regular cleaning of areas and equipment with a particular focus on frequently touched surfaces, using standard products such as detergents.
- 4) Keep occupied spaces well ventilated.
- 5) Follow public health advice on testing, self-isolation and managing confirmed cases of COVID-19
