

Travelling to School

Westfield is located in the heart of Gosforth, we are able to offer easy access to the school through a number of transport links. Many of our pupils choose to walk to school or travel by car, our site is easily accessible for on site drop off and pick up at the start and end of the day.

The school is in close proximity to a number of metro stations – South Gosforth, Regent Centre and Ilford Road. Newcastle Central Station is just a short walk from the Town Moor and we are a stones throw from Gosforth High Street where there are several stops for a number of bus routes.

Zone 1
