

Westfield Nursery Fees

The school is pleased to be able to offer the government's 30 free hours scheme; we have developed our pricing structure to give parents the flexibility of choosing mornings or full days and we recognise the needs of busy parents.

Westfield is a through school; we have been educating girls aged between 3 and 18 since 1960 and therefore have a lot of experience in running a happy and nurturing Early Years setting. The session schedule is designed to help your daughter settle into pre-school effectively and make her transition into Reception a seamless experience.

Our core day is from 8.30-3.30pm

Drop off time: You may drop your daughter at school any time between 8 and 8.30 am.

FAQ's

When can I apply for my daughter to start Westfield nursery and how much would it cost?

We accept registrations from birth and admissions for girls aged 3 years, provided they are already toilet trained (see blue table above)

When can I take advantage of the government free funding?

Your daughter will be entitled from the term after she has turned 3 and will continue to be funded until the end of the term in which she turns 5 i.e. in Reception.

How much would my fees become when I receive the funding benefit?

Depending on your personal entitlement please see orange or green box

Why are some sessions not available?

We are a deliberately small Early Years setting and there are limited places on offer. To enable us to provide high quality nursery provision, priority will be given to girls who attend on a full time basis and those who already have siblings enrolled at Westfield.

Is lunch compulsory? Do you have afternoon only sessions?

Yes, we believe that having lunch with their peers plays a positive part in a child's pre-school experience and prepares them well for life in school. We do not offer an afternoon only session.
